PRESIDENTS REPORT

Season 1997/98

Season 97/98, in review

Our 1st eleven, the Burland Shield, whilst we did not achieve the ultimate premiership, we did however, play in the semi finals, unfortunately losing to the eventual premiers. Again, we introduced new players into this side, and the improvement of players introduced, in recent previous seasons, 'who have taken the next step', is very good for the club.

The 2nd eleven side struggled all year, with both the batting & bowling trophies being won by younger players. Whilst the performances of these younger players is good for the future of the club, we should not be complacent. We need to stop the slide; this side has experienced over the last couple of years. If not, this will effect the 1st in the future, with players being asked to play in the competition's highest grade without the proper grounding and experience. We, the club, cannot ask players to play all year, when they are not properly equipped, player strength and experience wise, with different captains, this only leads to a lack of morale and confidence, and a feeling that they are being deserted by the club.

This is not a fault of the coach, who tried hard all year just to get this side on the ground, with the lack of available players willing to play especially towards the end of the season. The coach must be supported by the club.

The 3rd eleven, after many years of not winning many games at all, played off in the final. John McCleish as captain did a fantastic job, not only turning this side around, but also improving the mental attitude of the players. Whilst losing the final was not the best result, the fact that they made the final is a just reward for the players, especially those that experienced the hard times.

The 4th eleven, again proved competitive, and whilst it provides a game for our more mature players. It also provides a valuable opportunity for our more junior players, and those just learning the game. Unfortunately, some of our more mature players suffered from the effects of their maturity. The club wishes John Nugent, a popular and valued player and member of the club, who endured a large setback, a speedy and healthy recovery.

The Under 16 and Under 14 teams, both missed the finals, but proved to be competitive through the year and with any luck would have made the finals. However it is hard to compete with clubs that share a facility with a junior football club.

The Under 12 team, again made the finals, but unfortunately, luck was not with them, as indeed they do have many players with ability.

The manager's John McCleish and Pat Flinn did a fantastic job, and are to be commended for the way they gave all players a bat and a bowl, all year, including the finals, as this is the best and fairest way to develop all players not just the better players. Unlike some clubs that have a win at any cost attitude for this age group.

Special thanks go to all those who devoted their valuable time and energy's in helping not only the players, in all junior grades, but, also the club to maintain a valuable source of future players and members.

Off the field, the club continues to work hard, and is achieving the rewards for this work. Work off the field, has to be done, not only for the day to day running of the club, but to survive and be a strength on the field.
My thanks go to all, those who helped with the running of the club, both the general and social committee's, plus other club members and supporters, who, whilst not a committee, have the same aims.
My special thanks to our sponsors Diahatsou, and ~~Berrivale~~ Daily Juice, and to Warren Stewart and Paul Zerella in their foresight and efforts.
We should all want KEON PARK CRICKET CLUB to remain a long term club, that is not only successful and feared in short term, but for a very long time.
It should be noted the amount of clubs that have folded in recent years, some that have been very successful and won Burland Shield Trophies, in recent years, through complacency, lack of planning, work, and workers.

My congratulations to Denis Baker on achieving the club's highest honour, a life membership, unlike many club's, these are not automatic just for years at the club, but for service over a period of time, to the club. These are earned; otherwise they will be meaningless. Whilst this may upset a few, it does make the achievement when achieved, a prized reward.
Congratulations, also to all trophy winners, and those that, not only those like Terri and Peter Filis, who became parents for the first time, but also those that added to the family.

My thanks to Brad Quinsee, for his work and efforts as coach of the club.
Jeninne Zerella, who has worked tirelessly and often, unnoticed by a majority of the club, for many years as our bingo officer.
Mrs Val Quinsee, for the afternoon teas, our scorers Liza Lake, Burland Shield, Tracy Millane, Vicky Johnston, 4ths and juniors, Greg Scarpa and Chris Short and all their helpers for some very good social turns, and our supporters.

Without people devoting their time the club, we would struggle, as with many clubs now, a lot of people now expect the club to do things for them, instead of realising they are a part of the club and should help.

It should be remembered, there are many thankless tasks, like setting up for training and games, putting the gear away, cleaning up, looking after the clubs assets, etc. No one, is paid to do these little endless tasks, they are all voluntary.

It should be remembered that whilst our aim is to win premierships and remain as a strong club, we are here to provide people with a game of cricket.

Next year lets take that extra step and win premierships.

Yours Sincerely
BRIAN SWALES
